4) Defendant, Executive Office for United States Attorneys is an agency of the United States, and it has possession of, and control over, the records that Plaintiff seeks.

5) The following is a list of the requests made by the Plaintiff to the Defendant agency and disposition if any:

(1)

On 10/24/2018 Plaintiff mailed a FOIA request to the Defendant agency. On 11/19/2018 a response was recieved in the form of the satndard "10 day letter" assigned a request no: EOUSA-2019-000584. No responsive records were furnished, and Plaintiff submitted an appeal on 11/15/2018. Plaintiff then filed an amended appeal on 11/25/2018. No responsive records resulted fromthat appeal. On 11/26/2018 Plaintiff received a letter of receipt assigned no: DOJ-AP-2019-001300 from the DOJ Office of Information & Privacy, but no responsive records were furnished. 8) Therefore, Plaintiff prays that this Court:

(1) Declare the Defendant's refusal to disclose the records requested by Plaintiff is unlawful;

(2) Issue an injunction to prevent the Executive Office for

United States Attorneys from relying on their invalid practice of either (a) not responding at all to FOIA/PA request or (b) responding with a standard for "10 day letter", and then not taking any action honoring or denying the request.

(3) Make a written finding that the circumstances surrounding the withholding raise question whether there has been arbitrary or capricious agency action and make a referral of the matter to the Merit Systems Protection Board for investigation, pursuant to subsection (a)(4)(F);

(4) Award Plaintiff his costs and reasonable attorney's fees in this action:

(5) Expedite this lawsuit pursuant to 28 U.S.C. § 1657; and

(6) Grant such other and further relief as the Court may deem just and proper.

Re: FOIA/Privacy Act Appeal, Denial of access Pursuant to 5 U.S.C. 552(a)(6), 5 U.S.C. a.

Dear: Sir/Madam

This is an appeal from the denial of records by the U.S. Attorney's office as noted in the attached request and the following reasons and facts.

1. On 10/24/2018 I mailed a request for records to the Executive Office for United States Attorney's Department of Justice. A copy of that request is attached to this appeal. I have not received any responsive records, nor have I received a determination on my request.

2. The U.S. Attorney's office has failed to comply with the provisions of the Freedom of Information Act/Privacy Act regarding the release of records.

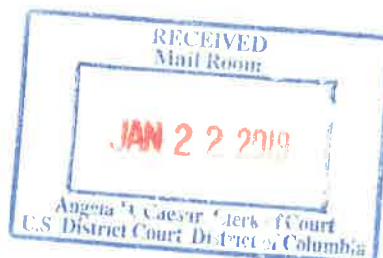

3. The U.S. attorney's Office has exceeded the statutory time limits for providing the records requested.

Therefore, and for the above mentioned reasons and facts, it is evident that the U.S. Attorney's Office has denied me access to the records and documents to which I am entitled to under the statute. This appeal is being submitted in a good faith attempt to obtain compliance by the U.S. Attorney's Office to the statutory provisions of the FOIA/PA regarding disclosure and to avoid the costs of litigation.

Please instruct the U.S. Attorney's Office to furnish the records as requested. I would also appreciate your compliance with Section 552(a)(6)(A)(i) regarding the response time to this appeal

Subject: Self/Specific Documents

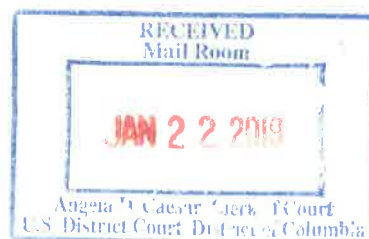

Dear Mr. Castro,

This Your request seeks records from one or more field offices, and may involve many voluminous records and/or requires consultation with another agency/component with a substantial interest in the subject-matter and therefore falls within "unusual circumstances" as set forth in the state. See 5 U.S.C.S § 552(a)(6)(B)(i)-(iii). Accordingly, we are extending the time limit to respond to our request for ten additional days. See 5 U.S.C. § 552(a)(6)(B)(i). In addition, this Office assigns incoming requests to one of three tracks: simple, complex, or expedited. Each request is then handled on a first-in, first-out basis in relation to other requests in the same track. Simple requests usually receive a response in approximately 30 business days, whereas complex requests necessarily take longer. At this time, your request has been assigned to the complex track.¹

Under FOIA and Department of Justice regulations you may be required to pay certain costs associated with processing your request, including, searching for, reviewing, and duplicating requested records. Consequently, you may potentially incur those costs, unless you have requested and been granted a waiver or reduction in fees. In most instances, the first 100 pages to duplicate and the first two hours to search for records responsive to your request, will be provided to you free of charge. If after making those allowances, we determine that the cost to process your request will amount to more than \$25.00, we will notify you in writing at a later date.² Requests that are specific, concrete and of limited scope (in time and/or subject matter) generally enable us to respond to you more quickly and possibly assess less fees. To avoid delay and reduce any potential fees, we respectfully request that you modify and narrow the scope of your request (See attachment).

¹ A search for information in the districts of ILN and GAM are already underway pursuant to a previous FOIA request that was received from you. The number assigned to that request is EOUSA 2017-002977. Please refer to EOUSA when seeking information related to ILN and GAM districts.

² Search and review fees by professional personnel are charged at \$40 per hour and duplication fees are assessed at five cents per page

You may also contact our FOIA Public Liaison at the telephone number listed above for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation service they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 96012 Adelphi Road-OGIS, College Park, Maryland 20740-6001; email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Re: FOIA/Privacy Act Appeal, Denial of access pursuant to 5 U.S.C. 552(a)(6), 5 U.S.C. a

Dear: sir/Madam

This is an amendment to my original appeal from the denial of records by the U.S. Attorney's office as noted in the following facts.

On 11-15-2018 I submitted an appeal, because I never recieved a response from the FOIA request I submitted. On 11-19-2018 I recieved a response stating they are extending an additional ten days to respond to my request.

The U.S. Attorney's office has failed to comply with the provisions of the Freedom of Information & Privacy Act regarding the release of records.

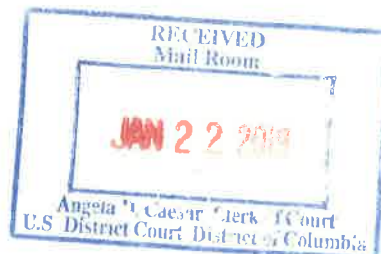

The U.S. Attorney's office has exceeded the statutory time limits for providing the records requested.

Therefore, and for the above mentioned reasons and facts, it is evident that the U.S. Attorney's office has denied me access to the records and documents to which I am entitled to under the statute. This amended appeal is being submitted in a good faith attempt to obtain compliance by the U.S. Attorney's office to the statutory provisions of the FOIA/PA regarding disclosure and to avoid the costs of litigation.

Please instruct the U.S. Attorney's office to furnish the records as requested. I would appreciate your compliance with Section 552(a)(6)(A)(i) regarding the response time to this amended appeal.
